**Commanders Announcements**

Commander Daily noted that his project for this year is the "Josh Dogs" program it would not only support the CWF program but lend aide to the Squadrons to report donations of money and time on the consolidated report forms. Commander daily is asking for \$3.00 per member from the results of this project. He is hoping to ask for a guest speaker (John Mejia) for the Mid-Winter conference but needs a projected member count for attendance before he confirms the guest speaker and is asking of the Vice Commanders and District chairman to talk up the Mid-Winter with the Squadrons in their areas and respond by the middle of December.

Commander Daily also stressed to the Vice Commanders to keep on the Squadrons for membership and is looking for as many Squadrons as possible 100% by Veterans Day, he will be working on District chairman for the 4<sup>th</sup> & 6<sup>th</sup> district this coming weekend, 9<sup>th</sup> district is in the process of setting up and organizing a district level organization. This leaves 5,7,8 & 9 to fill. Chris Sherman as he will be in the 7<sup>th</sup> district area in the coming months for hunting season offered to work on this district, it was pointed out by the adjutant that Chris should attend to his own district 1, however as he was up in that area he could seek out someone to fill this position for the seventh and or eighth and also to get in touch with 3<sup>rd</sup> district Commander Sean Patchin and work with him.

Commander daily reminded the Vice Commanders to keep on the Squadrons about filling out paper work and processing the consolidated reports and to have membership sent in immediately and not to hold or sit on it as this can be detrimental to the member who have paid in regard to insurance and other benefits allowed.

Commander Daily 414-762-8742 or 414-617-3156

Chaplain Catura (449) gave the benediction.

With no further business Commander Daily (434) closed the special phone D.E.C. with the proper closing ceremonies.
