Paid Up For Life Membership

We are getting one-step closer to putting together a PUFL membership for the Sons of The American Legion. The result of our survey is our members would like a Detachment maintained Paid Up For Life membership option. Our Membership Committee has collected data on other Detachment run PUFLs, and Date of Birth information to assist in the development of the program.

Currently we lack the number of date of birth records we require to complete our program, your assistance will help. Make sure your squadron has recorded and submitted the DOB information for your members, you may use the [DOB Information Form](#), available on the National Sons web site, or the [Change of Address link](#) on the National Legion web site

Date of Birth Report by Squadron

[October 25 2009](#)

Date of Birth Information

To best serve our members we need to know more about them.

- What is the average age of the Sons in Wisconsin?
- How many members are under 18?
- How many are over 65?

We do not know as we have fewer than 45% of their dates of birth. So far we have been doing an average job collecting date of birth information. We really should have 75 percent of them to provide for our PUFL program, our workshops and social events.

Please make sure your DOB is on file, you may use the [DOB Information Form](#), available on the National Sons web site, or the [Change of Address link](#) on the National Legion web site or email [adjutant Lawler](#), include your Name, ID number and DOB

Districts

How does your district compare to your [Legion](#) and [Auxiliary](#) counterparts, make membership a Legion Family event.

3. Third District 78.24%
4. Fifth District 77.05%

Make sure your Squadron will be part of the Veterans Day Challenge: reach 100% by Veterans Day November 11 and the Detachment will make a donation in your squadrons name to the Commanders **Homeless Veterans Project**, and issue a citation personally signed by Commander Powers.

Illinois Challenge

We have a new challenge that we need to contend with, last week we had Minnesota on our tail; this week Illinois is trying to catch us. We know the Squadrons have been rallying to keep us in First Place in the Region; Commander Powers and the Detachment Officers wish to thank you for your hard work.

It is time to hit membership hard this week, reach 100 percent by Veterans Day and we will reward your squadron. The commander has put his challenge out to you, now you can challenge your members and officers. Contact your neighboring squadrons and challenge them, get your American Legion and Auxiliary involved. Make it a Legion Family Event!.
