**Rob Brewer,**

National Child Welfare Foundation Chairman

I want to thank all of you in the Central region for the work you have done so far this year. Many of you have met your pledge, which is a great thing.

I just want to remind you that there we still have a week to go, and any help you can give to reach out for any additional money, would be greatly appreciated. We have a very good chance to make Commander Mark's goal of \$500,000.

Thanks again for your support of this great program.

Rob

## Renewals

We need you to help us retain our members; we are 14th in the Nation with 83 percent of our members renewing their membership.

Your squadron can request a list of members who did not renew and the address on file; we can also send you a list of the members from your zip code area whose membership may have lapsed so you can recruit them to your squadron.

Each member counts.

## Regional and National Membership

We started this membership year at the top for the first 6 months and fighting to stay in the top three for a few months, but now we are in LAST Place for Central Region and down to 25<sup>th</sup> in the Nation. I can already hear Minnesota and Michigan taunting us at the National Convention and we will have to pay up from our challenge.

Lets get back on top, keep working on your membership.
