

Wisconsin American Legion Off-Roaders Organizational Meeting and Ride

**Sunday, July 21st
10am – 2pm**

Dyracuse Recreational Park

1047 County Road O, Nekoosa

- **10am – 11am Organizational meeting**
- **11am – 2pm Ride on your own or with a group**
 - Cost to ride is \$20

What is the Wisconsin American Legion Off-Roaders?

It is a group of veterans and their families who enjoy off-road riding and who want to share their enthusiasm with other veterans in the state.

What machines are included in the Off-Roaders?

At the current time, we are starting with ATVs, UTVs and snowmobiles. Once we get set up with these, we will add other machines.

Is this a part of the Legion Riders?

NO! While they both involve veterans with common interests and ideals, they will be two separate groups. There will be commonalities in Bylaws and the application because the Legion riders did an amazing job in creating them.

The intent is to create district groups similar to the Legion Riders. In time, we will have fundraising rides and other types of events.

We hope to see you there!
