This has been a great year so far, we are having fun and donations have been coming in for the Junior Shooters Sports program, which is Commanders Severson's Project. We are still a little behind on our Child Welfare Foundation goal of \$1.10 per member; remember the deadline is May 31, 2012 to count for this year's convention awards.

The latest membership report is online at, www.wisal.org,

Triple Nickel Award

Triple Nickel Award: We want to win the Triple Nickel Award this year, so we need at least 85 percent retention, 105% total membership and recruit 5 new squadrons.

On that note we are missing 666 members who have not renewed from 2011, as you can see the devil is in the details.

We have already chartered 3 new squadrons and are working on the final paperwork for a few more.

Let's step up our game and WIN \$555.00 dollars for our programs.

National and Regional Update

We are seventh in the nation, FIRST in the Central Region, and Central Region is leading on the National Membership Trail once again. We only need 358 members to reach our national goal of one-hundred percent. I am confident we can reach our final goal of 110%, but I need your help. Contact your Squadron members and make this a fun competition, challenge them to be the best they can be, by recruiting new members, and renewing our old members.

(Central Region) John A. Sansoucie (MO)

To reach our Triple Nickel Award requirements we need to finish the 2012 membership year over 105%, well these 31 squadrons have already done that and more. When you see the officers of these squadrons give them a hand. If you are not quite at goal there is still time, make sure your squadron is over 105 percent before June 1, 2012.
