Squadron Information

Detachment Commander Dan Daily extends his greetings and wants to thank all of the Squadrons who reached 100 percent before The American Legion Birthday.

We are currently 14th in the Nation, second in the Central Region and poised to make our comeback and regain first place. We need your help with this, make sure your squadron is 100 percent, contact your neighboring squadrons and help them reach 100 percent.

With TEAMWORK we can do this.
