The Detachment Americanism Coloring Contest is open to ALL members of the Detachment of Wisconsin, no matter what your age. You may color with crayon or colored pencil or marker, as you see fit. The purpose is to promote aspects of Americanism. The sketch for this year's coloring contest pays tribute to those who made the ultimate sacrifice and those who grieve their loss. It is available on the Detachment web site www.wisal.org at this link http://www.wisal.org/detachment/committees/Program_Committee/Americanism/americanismcolorcontest.php, and all entries must be postmarked no later than Memorial Day, May 26. Consider making this a squadron activity.
