To: The Sons of The American Legion Family

Subject: Detachment Adjutant Transition

Past Detachment Commander Michael Lawler has served as our Detachment Adjutant for over 15 years. During that time he has guided us exceptionally well, our Detachment grew and we accomplished many milestones. Michael has opportunities to continue to serve the Sons of The American Legion in other capacities, and has decided to move on from his position as Detachment Adjutant.

To facilitate a smooth transition, a special meeting of the Detachment Executive Committee was held on August 13, 2014 at which I appointed Past National Commander David Faust to serve as our Detachment Adjutant. David assumed the duties of Detachment at the close of the meeting. Michael accepted an appointment as Assistant Detachment Adjutant to aid in this transition.

To best serve the members of the Detachment we also approved Past Detachment Commander Kelly Powers as Detachment Programs Chairman and Michael Lawler as Detachment Internal Affairs Commission Chairman.

We look forward to working with you as we focus the efforts of the Detachment to maximize results. You may continue to contact our Detachment Adjutant at [adjutant@wisal.org](mailto:adjutant@wisal.org) or Detachment Headquarters at 608-745-1090.

Yours in Service,

Gary Lubich,  
Detachment Commander  
Sons of The American Legion,  
Detachment of Wisconsin
